

Tableau Public Installation

For Mac

Step 1: Search for Tableau Public or click on the given link below

<https://public.tableau.com/en-us/s/>

The screenshot shows a Google search interface with the query 'tableau public'. The search results page displays approximately 1,84,00,00,000 results in 0.45 seconds. The top result is 'Tableau Public: Free Data Visualization Software', which is a link to the Tableau Public website. Below this result, there are four sections: 'Download the App', 'Discover', 'Search', and 'Resources'. The 'Download the App' section describes creating and sharing interactive charts and graphs. The 'Discover' section lists various data visualizations like 'Viz of the Day', 'Blog', 'Superstore', 'Dashboard', 'Resumes', and 'Maps'. The 'Search' section mentions searching millions of data visualizations and authors. The 'Resources' section lists a video titled '2. Connecting to Excel and Text Files (4:32)' and a link to learn how to use it. At the bottom, there is a link to 'More results from tableau.com' and a section titled 'Tableau Public' which describes it as a free platform to explore, create, and publicly share data visualizations online.

Step 4: Fill in the details and click Download the app.

The screenshot shows a Chrome browser window with the address bar at `tableau.com/products/public/download#form`. The page features the Tableau logo and navigation links. A dark modal overlay titled "Almost there!" contains a registration form. The form includes fields for "First Name", "Last Name", "Business E-mail", and a "- Country/Region -" dropdown. Red error messages are displayed below the first three fields: "First Name field is required.", "Last Name field is required.", and "Business E-mail field is required.". At the bottom of the form, there is a checkbox for agreeing to the privacy policy and a "DOWNLOAD THE APP" button. The background of the page shows a blurred view of the Tableau website with the text "You'll be exploring in minutes".
