

Tableau Public Installation

For Windows

Step 1: Click the link given below to download Tableau Public, or please type "Tableau Public" in the search bar in your browser. <https://public.tableau.com/en-us/s/>
You should be able to view it as shown below.

()

The screenshot shows a web browser window with the address bar containing `public.tableau.com/en-us/s/download`, which is highlighted with a red rectangle. The page header includes the Tableau Public logo and navigation links: DISCOVER, BLOG, RESOURCES, ABOUT, SIGN UP, and SIGN IN. The main heading reads "You'll be exploring in minutes". Below this, a paragraph states: "Create interactive graphs, stunning maps, and live dashboards in minutes. Save your viz to your Tableau Public profile, and share it anywhere on the web. Anyone can do it, it's that easy—and it's free." A red rectangle highlights the orange "DOWNLOAD THE APP" button. Below the button, it says "2021.4 Available for Windows and Mac | System Requirements". At the bottom, a tablet displays a visualization titled "How has the world changed since 1962?" featuring a bubble chart and a legend for "Country Names". A blue status bar at the very bottom of the browser window shows the text "Waiting for lh3.googleusercontent.com..."

Step 2: Click on “**DOWNLOAD THE APP**” and you will be directed to to below page.

Questions? Get in touch

Step 3: Fill in the details and click Download the app.

The screenshot shows a web browser window with the URL `tableau.com/products/public/download#form`. The page features the Tableau logo and navigation links. The main heading is "Almost there!" followed by the text "It only takes 15 seconds to fill out. If you're already registered, [sign in](#)." Below this is a registration form with the following fields: "First Name", "Last Name", "Business E-mail", and a dropdown menu for "- Country/Region -". To the right of the form are links for "PRICING", "SIGN IN", "TRY FREE", and "BUY NOW". A vertical sidebar on the right contains the text "Questions? Get in touch". At the bottom of the form, a disclaimer states: "By registering, you confirm that you agree to the processing of your personal data by Salesforce as described in the [Privacy Statement](#)." Below the disclaimer is a large orange button labeled "DOWNLOAD THE APP". The Windows taskbar at the bottom shows the search bar, task view, and various application icons, along with system information like temperature (34°C) and date (22-03-2022).

Step 4: It will start downloading as shown in the below page.

The screenshot shows a web browser window at the URL `public.tableau.com/en-us/s/download/thanks`. The page features a dark blue header with the Tableau Public logo and navigation links: DISCOVER, BLOG, RESOURCES, ABOUT, SIGN UP, and SIGN IN. A large green banner in the center contains the text "Your download should begin automatically" and a "Try Again" button. Below this, it says "Need a different version?" with a link to "Mac". Further down, it states "2021.4 Available for Windows and Mac" and "System Requirements". At the bottom, there is a preview of a Tableau dashboard titled "How has the world changed since 1962?".

Overlaid on the bottom left of the browser window is a Windows taskbar notification for the file "TableauPublicDesk....exe". The notification shows a progress bar and indicates that 10.6/458 MB has been downloaded, with 3 minutes left remaining.

TableauPublicDesk....exe
10.6/458 MB, 3 mins left

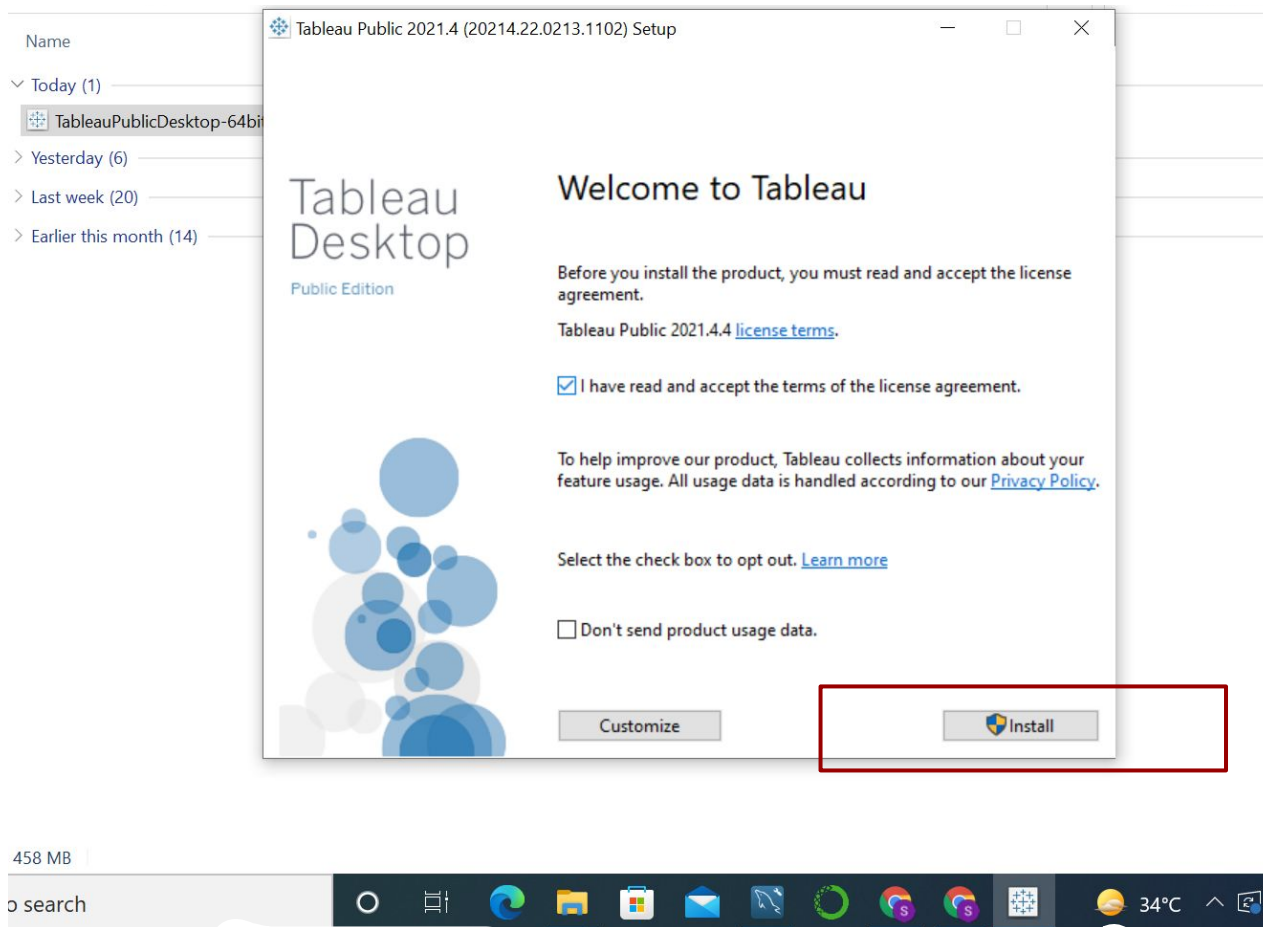

Step 6: Open the downloads folder on your computer to find Tableau Public in it as shown below. Double click and open it to start your installation.

The screenshot shows the Windows File Explorer interface. On the left, the 'Downloads' folder is selected under 'Quick access'. The main pane displays a table of files. A red rectangular box highlights the file 'TableauPublicDesktop-64bit-2021-4-4'.

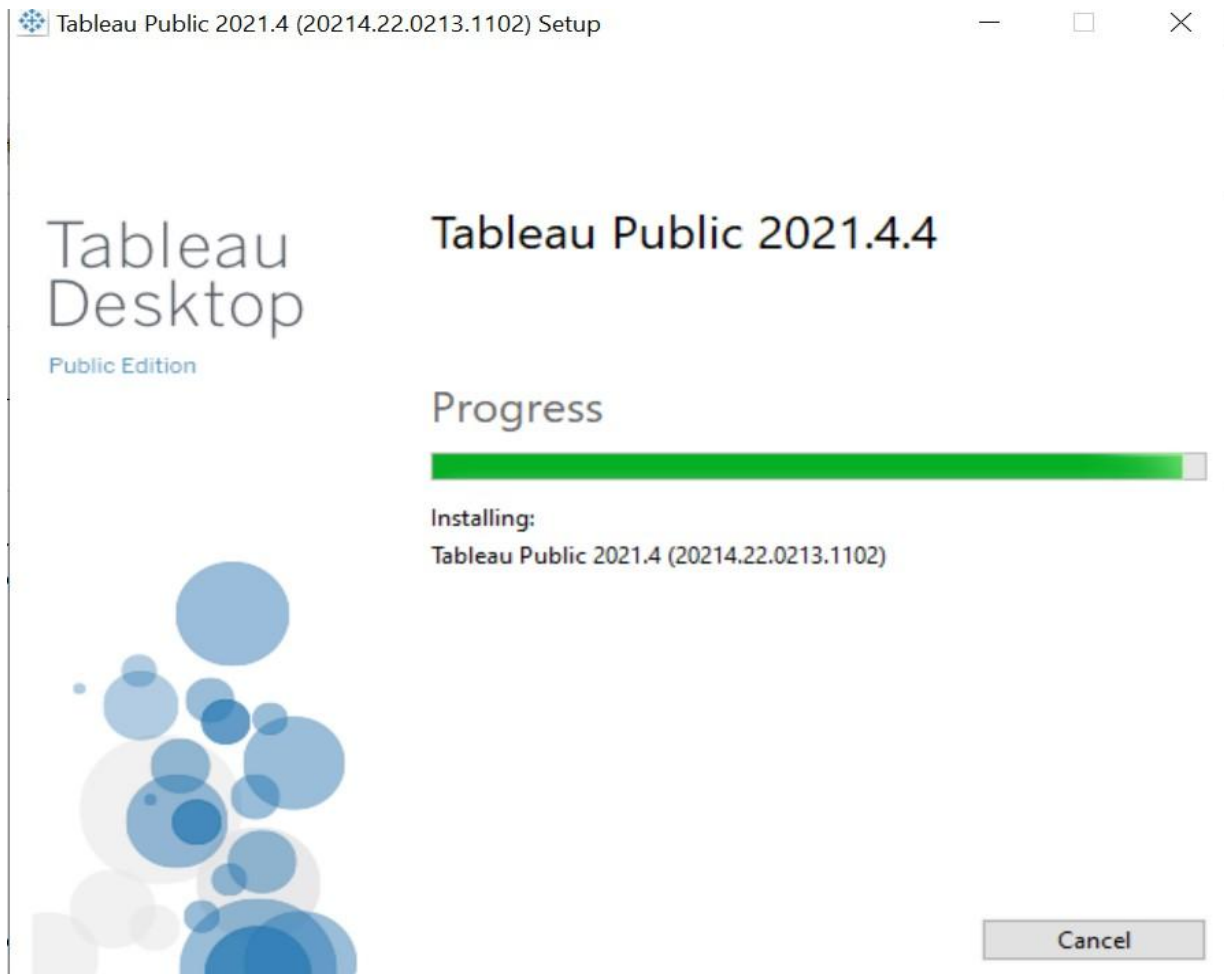

Name	Date modified	Type	Size
▼ today (1)			
 TableauPublicDesktop-64bit-2021-4-4	22-03-2022 13:02	Application	4,69,422 KB

Step 6: Accept the terms of the license agreement and click on Install.

Step 6: It will take a few seconds to install.
